f. No third parties' inclusion/substitution of applicant name, other than the names registered in the online application, will be accepted.

2. PRE-BID EMD:

a. To deposit Pre-Bid EMD (hereinafter referred to as PEMD) amount, as mentioned in the auction brochure or under lot details, a registered bidder has to log in and go to the Pay Pre-Bid EMD link on his/her Home Page. Each bidder has been assigned a specific Virtual Account Number. The same can be re-used by the bidder any number of times. Only the amount needs to be changed by the bidder while making the payment (based on their requirement). It may be noted that the provision of a fixed VAN is applicable only in the case of Pre-Bid EMD payment. Intimation is not required to be given to MSTC, as the amount will be reflected automatically in the buyer's EMD ledger available in their login. In case the amount does not reflect in the EMD ledger after one day, a mail may be sent to globalemd@mstcindia.co.in along with attachments of RTGS Slip and UTR Number for verification. Bidders' EMD ledger will be given effect only on credit of the deposited PEMD amount into the MSTC bank account. Therefore, bidders are advised to make the Pre-Bid EMD payment well in advance of the e-Auction start date to avoid last-minute hassles, if any. Seller/MSTC shall not be responsible for any delay in receipt of the Pre-Bid EMD amount

b. Bidders should check the EMD LEDGER by duly logging into the website of MSTC at https://www.mstcecommerce.com/auctionhome/govts/index.jsp as a buyer. It is mentioned that the bidders should maintain the requisite balance in the EMD LEDGER to get access to participate in the e-Auction. If the amount in the EMD LEDGER is less by even one rupee against the required PRE-BID EMD for a particular plot, then the system will not allow bidding for that particular lot/plot.

c. Bidders are advised to use their discretion and decide accordingly (being aware of the time required for the amount to be reflected in the EMD LEDGER). Bidders should be aware and ensure that the Pre-Bid EMD is reflected in the EMD Ledger on or before the last date of submission of Pre-Bid EMD.

Note: Bank Transfer Charges, if any, either way, would be on the bidder's A/c only.

d. Brief note on consumption of Pre-Bid EMD during live e-Auction: To participate, bidders have to submit Pre-Bid EMD, as mentioned in the Annexure/Brochure. Pre-Bid EMD of the bidder will be utilized only when the bid recorded by the bidder is highest. If the bidder is out-bidded by some other bidder, in such case, the previously bid amount will not be the highest, then the non-highest bidder's Pre-Bid EMD will be released immediately, allowing them to quote bids either in the same lot/plot or any other lot/plot whenever the requisite Pre-Bid EMD is available in the balance EMD column in the auction floor.

e. When the Pre-Bid EMD is free and can bid for a lot where the Pre-Bid EMD available in the EMD Ledger meets the Pre-Bid EMD requirement of a particular lot.

f. A bidder will be able to bid for any number of lots/plots if the Pre-Bid EMD available meets the Pre-Bid EMD requirement for bidding for the plots/lots in which the bidder is interested.

g. In case the successful bidder fails to come forward and pay the amount as per the terms mentioned in this e-Auction, the Pre-Bid EMD amount of such buyer will be forfeited at the sole discretion of Principal/HMDA. The highest bidder/successful purchaser will have no right over the said property after forfeiture of Pre-Bid EMD.

h. In respect of the successful bidder(s), the Pre-Bid EMD amount submitted by them will be adjusted against the final payment of the total sale value of the plot, as per rules decided by HMDA from time to time.

i. The bidder(s) who intend to participate in e-Auction should remit the Pre-Bid EMD within the scheduled date and time of the last date for submission/payment.

3. Refund of the Pre-Bid EMD can be initiated by the bidders themselves, from their login, after e-Auction, between 7:00 AM and 12:00 Noon, by clicking on the button "EMD REFUND REQUEST". The EMD refund request facility will be enabled for bidders whose bank details are verified. The same may be checked through the My Profile option available in the bidder's dashboard.

4. After raising the refund request by the bidders from their login, the Pre-Bid EMD amount of unsuccessful bidders will be refunded within 7 working days after initiation of the refund request. Pre-Bid EMD refund will not be enabled in case of mismatch of any kind in the name of the account holder, Account No., IFSC Code, and in case of non-upload of the cancelled cheque/Bank Mandate Form as mentioned in the registration process. In case the amount is not refunded within 7 working days after the refund request, bidders may send an e-mail to globalemd@mstcindia.co.in along with an EMD Ledger screenshot. The amount will be refunded automatically to the verified account after raising the refund request from login. In case of refund of Pre-Bid EMD by RTGS/SWIFT, the bank charges, if any, shall be borne by unsuccessful bidders only.

5. MSTC Limited is acting only as a service provider for this e-Auction and shall not be a party to the contract between the Seller and the Buyer, subsequent or later to this e-Auction. 6. The open plots notified for sale will be sold through e-Auction on an "as is where is basis". Hence, the bidders should inspect the lots/open plots and satisfy themselves in all aspects before bidding, as otherwise it is deemed that the bidder has inspected the land parcel(s) and satisfied himself/herself regarding the suitability of plots in all respects for construction, and no claims of any nature are maintainable against MSTC Ltd/HMDA/SELLER/PRINCIPAL.

7. If any of the open plots notified for sale remain unsold, they will be re-auctioned at the sole discretion of the auctioning authority..

h. Auto-bid facility: In the e-Auction, a bidder may give instructions to the computer to bid on his behalf by clicking on the "Auto-bid" button. Once the bidder clicks on the "Auto-bid" button, the computer will ask for the incremental value and the maximum value. The bidder has to fill up these values and submit. The facility of auto-bid can be used only once per plot. If the upper limit submitted by the bidder is crossed during the live auction, the bidder will have to bid manually thereafter, if he/she wishes to. Once an auto-bid is submitted, it cannot be reversed, edited, or cancelled.
